

**TO THE SINCERE SEEKERS OF TRUTH...  
TO THE WALKERS ON THE PATH OF RETURN...  
FOR INTUITIVE MINDS...**

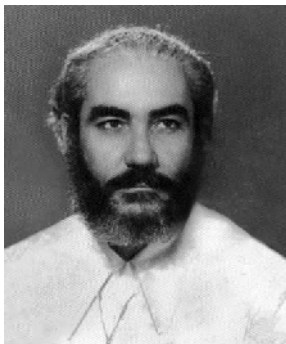

**PASH...IN LAKEH...**

On the approaching 28<sup>th</sup> of July we will celebrate the birth of a Great Man, a Great Initiate: the ELDER BROTHER Dr. Jose Manuel Estrada.

Born to be the SACRED LION who traveled the World to implant Initiation on the Planet. His life was entirely given to Humanity as a Servant of the Cosmos and as a man among men.

His Humility is so great that those who are proud took no account of his SACRED MISSION.

Today we remember his Luminous Presence, his Vestments of LIGHT, his Lion's Roar, his Penetrating gaze like two depths of bottomless black, his Love for his Disciples and for Humanity, his BLESSING after the Cosmic Ceremony, his good cheer, his songs, his TEACHINGS, his EXAMPLE.....

**HOMAGE TO THE SACRED LION, SUBLIME ELDER BROTHER  
SAT GURU DR. JOSE MANUEL ESTRADA V..**

- Since childhood he perceived the Divine Omnipresence
- With his long hair until 12 years of age, he was already a great thinker of deep thoughts
- With the umbilical cord asphyxiating him, he went forth at birth in the serpent's embrace
- He was called by the COSMOS to prepare himself to be a Servant of THE SPIRIT
- At the age of 33 he received the VISION and CONFIRMATION of his great Spiritual Mission when the DIVINE LIGHT was made manifest to him
- He waited patiently for the arrival of the one who would come representing the AVATAR...

- THE AVATAR recognized him as his First Spiritual Son, his right Hand, his own SELF, as a Terrestrial Avatar...
- He raised the MISSION of AQUARIUS throughout all America, carrying the weight of humanity's lack of understanding
- He raised the INITIATIC ORDER and the weight of his own codisciples who did not know who HE was...A Special Incarnation...
- He is the one who brought the LIVING INITIATION, and Happy are You to have him in America...the one charged with the Cross of Humanity...

He is the one who brings back the Great Path, which is the ROAD...since just a Youth; Traveling to SELFREALIZATION and receiving the first Initatic Grade of Getuls from the hands of the MAESTRE in El Limon, Venezuela in1949;  
The Grade of Gag Pa in1950 in New York from the MAESTRE;  
And the subsequent Initiatic Grades at a distance:  
Gelong in 1951 in Caracas, Venezuela,  
GURU in1952 in Caracas, Venezuela,  
SAT CHELLA in Chichan Itzaab in Mexico in 1954,  
SAT ARHAT in Caracas in 1957 by arrangement of THE MAESTRE...

And later the 6th Grade as a HIGH INITIATE AND AS A MAESTRO...

The 22<sup>nd</sup> of June in 1977 he wore the Emblem of 9 centimeters... SAT GURU...  
(The Emblem of the Sat Arhat is 7 centimeters and the Emblem of the MAESTRE is 10 centimeters)

Belonging to the PNEUMATIC Scale...the scale of the MAESTRES...

Nothing and no one can cause it to fall...

The weight of his detractors and the incomprehension of his SACRED MISSION grows ever more intense that no one may radiate LIGHT on our Planet...

In his final act of dissolution of the material body, the culmination of the Great Liberation through Redemption, the Resurrection and the Ascension to the Heavens... UNION with the ABSOLUTE...

Thank you Beloved MAESTRE, ELDER BROTHER, SAT GURU for all who have received your legacy...

**PASH... AL LAKEN...**

**Maestro Luis M. Balandrán**
