MESSAGE FROM HIM. . . (CHRISTMAS MESSAGE)

PEACE: My Brothers I

Religion is one, the religious expressions of men are multiple; but, despite all the doctrines, the one of CHRIST is always victorious. A vigor that comes from its pure origin, because beyond the sects of Christianity there is a CHRIST Law.

This "CHRISTIFICATION" (crystallization) occurs in successive times, and according to well-known Principles. . .

Let us call the Magi to come once again to recognize the Divine Master! Whom they greeted in his cradle more than two thousand years ago.

All his enemies have died * or fallen. He will always stand! The envious band together against him and his followers. Saint Matthew (in chapter X) reminds us of the words of the Nazarene Master, who warns: *"And you will be hated by all for my name's sake, but he who endures to the end will be saved. Do not fear them, because there is nothing concealed, that will not be revealed, or hidden, that will not be known. What I tell you in the dark, say it in the light, and what you hear whispered, proclaim from the rooftops. Do not fear those who kill the body but cannot kill the soul. . ."*

CHRIST is always present: they believe they have slaughtered him in Bethlehem. He is alive in Egypt; they drag him up the mountain to precipitate him on the rocks; He is calm and smiling with piety. . . Then another mountain, this time stained with his blood, a cross, a tomb. . . Soldiers guard his grave. . . How foolish they are! He is alive! And he walks peacefully along the path of Emmaus.

Throughout history, the list of martyrs grows: decrees, gallows, pyres, fire, blood ... He is always standing! When discouraged Sages fall asleep in the night of doubt: the spirit of Christ stands and watches. . .

When fanaticism rages on Humanity full of dust from dogma, the spirit of Christ stands and Prays! ...

When men maddened by selfish rage and blinded by passions, amuse themselves without any restraint: the spirit of Christ stands and cries! "Glory in the highest of Heavens and Peace on Earth to Men of good will" ... »

(His own Disciples abuse his name. They, who should announce his resurrection, want to immortalize his death).

Some, however, are men in every sense of the term: Disciples of the Light. True to the position the Maestre has entrusted them, they perform well despite the trials. . .

He has not promised anything. . . They have not demanded anything. . . They do Good for Good itself! The Messengers of Peace do not need a reward, they work because there is a Mission to fulfill, a Humanity to renew!

The Disciples speak of their Maestre with love and confidence, but the world is shaken . . . : Where is He? . . . Where has He gone? ... Warn the Rulers of the Earth, tell the Mighty Ones that their power is threatened. . . By whom? . . . By a poor man that doesn't have even a stone to lay his head on! ...

But that does not matter, they have to unite . . . to not let him tell the Truth! His Light dazzles the rogues, the envious, the greedy ... He, who comes to unite all concepts, is rejected by those who speak of goodness. Everything will be tried to obstruct the pure religion of understanding: many will be the passionate who, full of vices, will find the lowest means to betray, slander, or condemn the pure incarnation. That is nothing: a man can be chained, but the VERB of GOD cannot be held captive!

Awaited Christmas. . . Blessed Christmas. . . Divine Christmas

Let us be united in a universal consciousness, let us merge in the bosom of the Creator Father, and let us reintegrate ourselves in Eternity. . .

In the midst of storms, CHRIST is the only refuge.

In the fight for Truth, Christ is the most precious help.

Facing the Infinite, Christ is our only vision.

In the succession of the Ages, He marks the Times. . .

He alone Reigns, He alone Triumphs.

Faced with the infernal noise of the human cacophony occupied in its selfish interests, defending its material goods as its only reality, forgetting its spiritual duties, let us listen to the eternal vibration full of understanding whispering:

"May peace be with you!"
