

# Nativity Message from Maestre Serge Raynaud de La Ferriere

Peace, Brothers and Sisters!

Religion is ONE. It is the religious expression of men which divides, but nevertheless all the doctrines, that of CHRIST is always the most vigorous. Vigor and strength which are owed to his pure origin, because beyond the force of Christianity, there is a CHRISTIC LAW. This CHRISTIALIZATION is produced at regular and determined eras, following the well known principles.

Let us make a call to the MAGICIAN KINGS so they come, one more time, to recognize the DIVINE MASTER, who was welcomed in his cradle 2000 years ago.

All of his enemies have died or will fall forever. He will be always Upright. Jealousy is concentrated against Him and his supporters. Saint Matthew in Chapter X repeats the words of the Divine Nazarene, who warned:

“...You will be hated by everyone because of me, but the one who stands firm to the end will be saved... So do not be afraid of them, because there is nothing concealed that will not be disclosed, or hidden that will not be made known. What I tell you in the dark, speak in the daylight; what is whispered in your ear, proclaim from the roofs. Do not be afraid of those who kill the body, but the soul they cannot kill.”

CHRIST is always present: they believed He was murdered in Bethlehem and He... was alive in Egypt; they carried him to a high place on a mountain to throw him from the rocks, and He... was calm and smiled piously. Then, on another mountain, this time colored with blood, a cross and after, a sepulcher with soldiers that guarded at his tomb. How insensitive! The tomb was empty! He... walks gently on the route to Emmaus.

Through the story, the list of the martyrs grows, the gallows, the killings, the fire, the blood... It doesn't matter. He... is always Upright. When the displeased sages sleep in doubt at night, the Spirit of Christ is ahead and watching over. When fanaticism rages through humanity covered in dogma, the Spirit of Christ is ahead and Prays... when men, egotistical and crazy, blinded by their passions, have fun without reservation, the Spirit of Christ is present and exclaims:

“GLORY TO GOD IN THE HIGH PLACES  
PEACE ON EARTH TO PEOPLE OF GOOD WILL”

His same disciples abuse his name: They, who should announce their Resurrection, want to immortalize His Death...! Some, nevertheless, are People in all senses of the word. Disciples of Light, loyal to the position that the Maestre has entrusted them with, they act correctly, regardless of hard tests.

He has not promised anything. They have not demanded anything. They do Good for Goodness sake. The Messengers of Peace do not have any need to be recompensed. They work because they have a Mission to complete, a humanity to renew...

The Disciples talk about their Master with love and confidence. But the world is agitated. Where is He? Where is He going? Warn the people of the Earth, say to the powerful ones that their power is threatened. By who? By a poor person that doesn't even have a stone on which to lay his head.

But it doesn't matter, we need to unite so that we do not allow the Truth to be silenced. This is what the people against Him say. His Light damages the miserable, the envious, the greedy ones. He, who comes to unite all conceptions, is rejected by the same people who speak of goodness. All means will be attempted to block the Pure Religion, based in the Understanding and the Brotherhood and Sisterhood of human kind. The passionate ones will be numerous, who come full of vices to find the lowest means to betray, to libel or condemn the pure Incarnation... but this does not do anything. A man can be enchained, but you can imprison the WORD OF GOD!

**Awaited Noel! Beloved Noel! Divine Noel!**  
Let us Unite in the Universal Consciousness!

Let us Be One With The Path of Father Creator!

Let us Reintegrate in Eternity!

Amidst the storms, CHRIST is the only Refuge.... In the fight for the truth... CHRIST is the precious help... Facing the INFINITE, CHRIST is the only thing that we see! In the continuity of the eras, He marks the Times. He only reigns, He only triumphs.

Within the infernal sound of the human cacophony, concerned with egotistic interests, defending his material goods as the only reality, forgetting spiritual duties, the world goes on a path of perdition. Meanwhile, let's try to listen to the Eternal Vibration, full of compassion, murmuring:

**"MAY PEACE BE WITH YOU"**
