003 ESOTERIC CONGRESS GREAT SPIRITUAL CONGRESS OF PARIS

The function of the Esoteric Congress in the world perspective of Spirituality, has as main purpose to guide the labor of all the organisms toward a Supreme Common Goal.

The fast propagation of some hidden movements of doubtful origins and the need to clear up and illustrate the disoriented and confused minds due to copious speculative literature, where the main Motives that originated the creation of this Superior Entity to serve as a linking element and at the same time advisory body.

It is made up of representatives of the most authorized Orders in the World. To all of these meetings attends a representative of the Agharta (Supreme Assembly of the Great White Fraternity of Tibet) duly authorized to confer to the Congress a character of unquestionable Autonomy.

The last World Esoteric Congress met in Paris the 9th of October of 1947 and lasted until the 13th of the same month. On this occasion there were representatives of more than 150 Societies and Groups and important resolutions were agreed to.
